ID Card Printers

DASCOM

The ReTransfer printing technology of the DASCOM DC-7600 is the next level of Direct-To-Card print technology

swiftcolor

The SwiftColor CX-G6400 Oversized Credential printer features single pass print-head technology and prints in beautiful 1200 dpi.

Capturing Device

THALES
Building a future we can all trust

- Quickly scan and verify passports with high accuracy.
- Fast, secure data capture for border control and ID verification.

E-Signature Pads

TOPAZ
SYSTEMS INC.

- Capture handwritten signatures digitally for secure transactions.
- Streamline approvals and documentation with fast, reliable e-signature capture.

Our Products

Key Management System

- Securely store, track, and manage physical keys.
- Simplify access control and improve accountability for authorized users.

Access Control

- Securely manage and monitor entry to buildings or restricted areas.
- Flexible, scalable systems for reliable access management.

Fingerprint Scanners

- Capture and verify fingerprints quickly and accurately.
- Enhance security with fast, reliable biometric authentication.

Smart Card Readers

- Read and authenticate smart cards securely and efficiently.
- Support contact and contactless cards for versatile access and ID applications.

Our Products

Barcode Products

- Scan and read barcodes quickly for accurate data capture.
- Enhance inventory, retail, and logistics operations with reliable barcode

Time Attendance

- Track employee attendance accurately and efficiently.
- Simplify payroll and workforce management with automated logging.

Cards

- Durable ID, access, and membership cards for secure identification.
- Customizable designs for branding, credentials, and access control needs.

People Counting System

- Accurately monitor foot traffic and occupancy in real time.
- Optimize space usage and improve safety with intelligent analytics.

Our Solutions

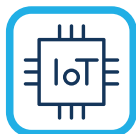

Asset Tracking

- Scan and read RFID Tags quickly for accurate data capture.
- Enhance inventory, retail, and logistics operations with reliable barcode

Time & Attendance

- Automates employee time and attendance tracking.
- Simplify payroll and workforce management with automated logging.

IOT Platform Solutions

- Manage, collect, process & visualize IoT data.
- Securely provision, monitor & control devices via APIs.

Visitor Management

- Streamline visitor registration, check-in, and tracking.
- Enhance security, compliance, and the visitor experience.

Integrated Transportation Management

- Optimize all transport modes from single platform.
- Boost efficiency, cut costs, and improve visibility.

Port Management Solutions

- Streamline and coordinate port operations from a unified platform.
- Boost efficiency, security, and visibility across cargo and vessel movements.
